

Helping dad bond with the baby

- Involve dads in day to day activities
- Encourage Dads
- Dads are usually not smooth and efficient at first. Give them time
- Don't get dad's to match the same way as yours. Eventually they get there.
- Encourage Dad to help with baby's bath, readying up and lullaby story.
- Dad has to be there for all the baby's visit to the pediatrician.
- Discuss all the problems with the dad & he might give a unique solution
- Get his help in deciding the name, toys & even the diapers for the baby
- Involve Dad in each step and work as a team.
- Parenthood is a team of parents, Grandparents and all the help at home.
